MAY | 2024

## From the SDC May 2024

The big news is that tickets are on sale for the Hobart Roundup on 13-15 September. The sub-committee has the venue and catering booked, the website is up. Don't miss out – get your tickets now.

Our phone system has been upgraded and we have a new number - **6144 3652**.

The SDC has plenty of opportunities for you to keep working your program through service beyond your home group, including volunteering for rosters for our phonedlines and H&I, or joining a committee like the PI/CPC.

Ever wondered what PI/CPC stands for? It's our Public Information/Cooperation with the Professional Community Committee. This Committee does vital work making sure that the public and professionals such as GPs and AOD workers know about AA, what we do and how they can reach us. The Committee needs more members– can you help?

*"I am Responsible.  
When anyone, anywhere,  
reaches out for help,  
I want the hand of AA  
always to be there. And  
for that: I am responsible."*

## Service opportunities

### Phone Roster

We need volunteers for the phone roster so that when alcoholics reach out by phone, the hand of AA is there.

### Hospitals and Institutions (H&I) Roster

AA members share their experience, strength and hope with people who are seeking treatment for alcohol dependence. Members in the Southern Tasmanian District visit the residential rehabilitation unit at St Johns Park 7 - 8pm on Fridays.

### Public Information & Cooperation with the Professional Community (PI&CPC)

The goal of AA Public Information and Co-operation with the Professional Community (PI&CPC) is to carry the message to the alcoholic who still suffers. The SDC PI&CPC Committee undertakes service such as delivering pamphlets to local treatment centres, police stations and council buildings.

**If you have at least 6 months sobriety and would like to volunteer for any of these services, talk to your GSR or email [contactus@aatasmnia.org](mailto:contactus@aatasmnia.org)**
